

HOW CAN I APPLY FOR THE EXCELLENCE EIFFEL PROGRAM (MASTER DEGREE), AT PARIS 1 PANTHEON-SORBONNE ?

Please read carefully the program guide before applying : [program Eiffel](#)

► Eligibility criteria : (subject to later changes)

- to benefit from the scholarship, you have to apply to one of our Master degrees, here are the eligible areas of study : Economics, Management, Political Science, Law. [Here](#) is a list of our degrees. You will also find a list of the degrees either fully or partially taught in English [here](#). (Only Research or Professional Master degrees taught as « formation initiale » or « FI » are available. For IAE degrees, please get in touch directly with the [IAE](#)). You must choose a degree before applying for the scholarship.

- your diploma must grant you access to the degree you are applying to (corresponding to the French Licence to enter a 1st year of Master degree, or corresponding to a French M1 to enter a 2nd year of Master)

- be a foreign citizen (priority is given to citizens from developing countries)

- currently be a student in a foreign country

- be less than 30 years old

- prove a C1 level of French for degrees taught in French, prove a sufficient level of English for degrees taught in English.

- apply only once (you can not apply if your file has already been selected during a previous campaign, even if it was selected by another university or school).

- do not cumulate scholarships, you can not apply if you are already recipient of a scholarship (French government, AUF, Erasmus+, etc.).
