

2015 International Conference on Water Resource and Environment (WRE2015)

INVITATION

March 31th, 2015

Dear Prof. André A. Keller,

On behalf of the organizing committee of the 2015 International Conference on Water Resource and Environment (WRE2015), which will be held in Beijing, China during July 25th to July 28th, we cordially invite you to participate and present an oral presentation in our conference.

Time: Please register and get the conference materials on July 25th, July 26th is the Keynote speech; July 27th is for oral and poster presentation; July 28th is one day touring in Beijing;

Venue: Sunworld Hotel, Beijing, China

Theme: it covers four main sections, Hydrology and Water Resources, Water pollution, Water Treatment Methods and Freshwater ecosystems, 22 individual topics in total, including water quality, hydro-geology, surface hydrology, water pollution and so on are included.

Objective: WRE2015 aims to provide a platform for knowledge exchange of the most recent scientific and technological advances and to strengthen the links between the scientific communities.

Program: WRE2015 will feature Plenary Sessions, Symposia, Oral Communications and Poster sessions.

Please kindly convey your acceptance and we have every reason to believe that your participation would make the conference more successful.

We are looking forward to meeting you in Beijing, China in July.

Kuai Yuanyuan
